ENVIRONMENTAL POLICY		

PURPOSE

CCS Rentals Pty Ltd T/A Consolidated Group, Jakarli Group Pty Ltd, and Consolidated Transport Services Pty Ltd (collectively *the Consolidated Group of Companies*) are committed to protecting the environment and preventing pollution across all operations.

We recognise our responsibility to manage environmental risks, minimise our footprint, and ensure that our activities do not adversely impact the land, water, air, flora, fauna or surrounding communities. We will continually improve our Environmental Management System and comply with all relevant environmental legislation, regulations, standards and commitments.

OBJECTIVES

The Consolidated Group strives to:

- Implement effective processes to protect the environment and prevent pollution
- Identify, assess and manage environmental aspects and impacts across all operational activities
- Promote recycling and responsible waste management in all workplaces
- Prioritise environmentally sustainable products and materials wherever feasible

RESPONSIBILITIES

To support this policy, the Consolidated Group will:

- Train, educate and communicate with workers, contractors and relevant interested parties to ensure shared understanding of environmental responsibilities
- Maintain this policy as documented information, accessible to workers, clients, regulators and interested parties
- Set, monitor and report on measurable environmental objectives and targets
- Conduct regular Management Reviews to evaluate the effectiveness of our Environmental Management System
- Investigate all environmental incidents, implement corrective actions and prevent recurrence
- Monitor and comply with all applicable environmental legislation and requirements, including obligations under the Environmental Protection Act 1986 (WA) and associated regulations
- Identify and mitigate environmental aspects and impacts where reasonably practicable
- Conduct audits of key processes to support continual improvement
- Maintain and improve an Environmental Management System aligned with ISO 14001:2015
- Review this policy annually, or sooner where operational or legislative changes require it

COMMITMENT

This policy applies to **all companies within the Consolidated Group** and extends to all management, employees, contractors, subcontractors and suppliers engaged in our operations.

ENVIRONMENTAL POLICY		

We are committed to fostering a culture where environmental responsibility is embedded into everyday decision-making. Every person working for or with us is expected to uphold these principles, follow established environmental procedures, and contribute to reducing our environmental footprint.

Through leadership, accountability and continual improvement, the Consolidated Group will work together to protect the environment, prevent pollution, and operate sustainably across all areas of our business.

Approved
